Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 25 day of June, 2019 by and between Ring LLC ("Ring") and Bartlett Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Bartlett's ("Village") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to Village residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

NEWS RELEASE

**Bartlett Police Department
228 S. Main St.
Bartlett, IL 60103
(630) 837-0846**

August 15, 2019

Bartlett Police Department Recently Joined the Ring Neighbors App

Bartlett Police Department recently joined the Ring Neighbors app to provide residents with timely crime notifications directly to their smartphone devices to help make our community safer. It will also allow Bartlett Police to see posts that residents voluntarily share on the Ring Neighbors app. This new crime reduction strategy has been instrumental in catching package thieves, deterring criminal activity, and keeping neighborhoods safe in other communities. Bartlett Police does not have access to your Ring doorbell or security camera devices. Residents are in complete control of their devices and can decide whether they want to share any video footage or other information with the police department.

Residents can text 'bartlett11' to 555888 to download the free Ring Neighbors app on their iOS or Android smartphone devices. The app is available to download and use even if residents do not own a Ring doorbell or security camera device.

The Ring Neighbors app is not a primary reporting tool nor is it monitored by Bartlett Police 24/7. Please call 9-1-1 for emergencies, to request police assistance, or to report criminal activity.

Chief Pretkelis,

Thanks for sending these over. The account invites will go out the day prior on Monday, August 12th. Please have those invites created to be live Portal accounts prior to the webinar.

For the In App Announcement, this is a template announcement that goes out for all of our departments. Unfortunately, these revisions won't be applicable.

My recommendation would be to create a welcome post after the webinar is completed where you can inform the community about how your department involvement will impact the community in a positive way. Happy to chat about this on the phone as well.

Best,

[Dept Name] Police Department has joined Neighbors

Your Neighborhood Watch just got
a whole lot stronger.

We're excited to announce that the [Dept Name] Police Department [(Dept Acronym)] has joined Neighbors in your area! This will allow [Dept Acronym] to post crime and safety incidents directly to your Neighbors feed in the Ring app to keep you informed of critical events. It will also allow [Dept Acronym] to see posts that you share so they are aware of critical events and are able to respond.

The more you post critical events, the more [Dept Acronym] can help. By working together, we can all make [City Name] a safer community.

Chief Pretkelis,

It was a pleasure chatting with you today. Thank you for arranging our meeting to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to active investigations.

As you review the attached MOU, or if others will be charged with this task, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed out a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, prior to sharing it with us. Once we receive the signed copy of the MOU, we can move forward with the on-boarding.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. When you get a chance, could you please share the timeline and general information about what is typically involved in the Council process?

Thank you again for meeting with me. I look forward to working with you and Bartlett Police Department.

Sincerely,

Rohit D. Murti
